Â© Dmitry Khara, 2015 Â© AST Publishing House, 2015 Prologue I didn't want to tell this woman that I love her. I didn't want to tell her the truth about myself. I didn't want to tell her that I... I didn't want to tell her the whole truth. Because she might not believe if I told her the whole truth. In fact, nothing has changed. I will still love her no matter what. And she will love me. But I will love her more... I love her more than life itself. And there's nothing wrong with that.
